**Link**      <https://purryhome.com/products/architectural-led-garden-bollard-light>

**Pinterest** **Garden bollard light — a soft glow along the path**

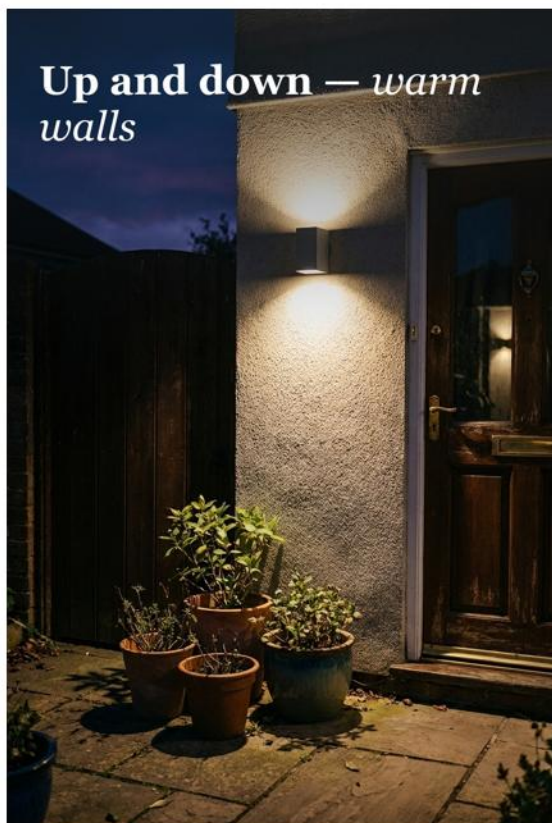

A matte-black garden bollard that casts a warm 2700K glow low across the path and borders. Weatherproof and understated, it lights the way without stealing the scene. Shop now → [#purryhome #outdoorcollection](#)

**Instagram** The quiet hero of an evening garden. A low bollard light throws a soft, warm pool across the path and planting — so the garden still feels calm after dark, never floodlit. Shop now — link in bio. [#purryhome](#) [#purryhomeuk](#) [#outdoorcollection](#) [#outdoorlighting](#) [#gardenlighting](#) [#interiorinspo](#)

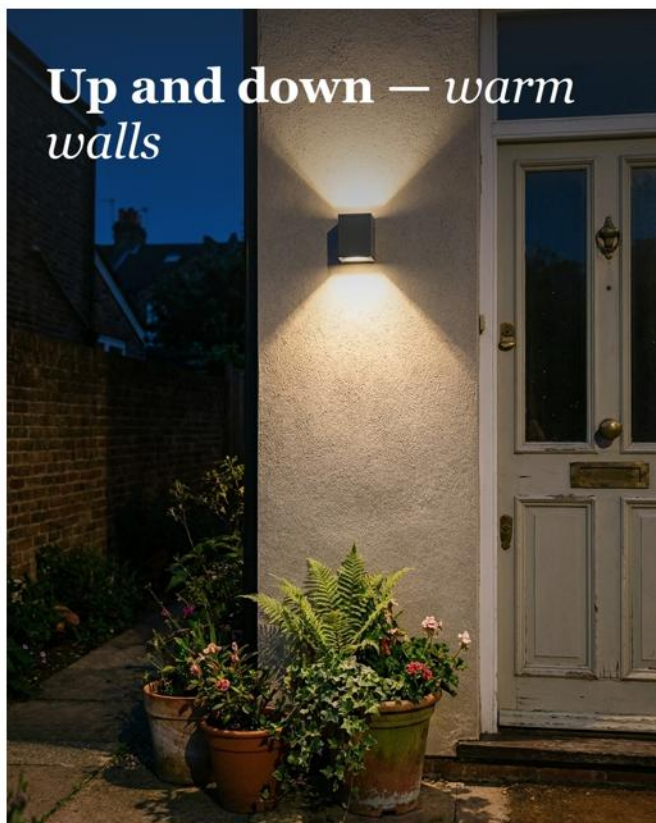

Day 02      Sunday 07 June 2026

## Up & Down Wall Light

---

---

**Link**      <https://purryhome.com/products/architectural-up-down-outdoor-wall-light>

**Pinterest**    **Up & down outdoor wall light — warm beams by the door**

A slim architectural wall light that washes warm 2700K light up and down the wall, framing a front door or patio. Modern, weatherproof, quietly confident. Shop now → [#purryhome](#) [#outdoorcollection](#)

**Instagram** Two soft beams, one clean line. An up-and-down wall light frames the door with warm light above and below — the kind of detail you notice every time you come home. Shop now — link in bio. [#purryhome](#) [#purryhomeuk](#) [#outdoorcollection](#) [#outdoorlighting](#) [#gardenlighting](#) [#interiorinspo](#)

Day 03      Monday 08 June 2026

## Classic Lantern Post

INSTAGRAM • 19:00

---

**Link**      <https://purryhome.com/products/classic-lantern-outdoor-post-light>

**Pinterest** **Classic lantern post light — a warm welcome at the gate**

A traditional lantern on a post, glowing warm 2700K at the edge of the path or by the gate. Timeless, weatherproof, and quietly grand. Shop now → #purryhome #outdoorcollection

**Instagram** Some lights just feel like coming home. A classic lantern post light at the garden gate, glowing soft and warm — a welcome before you reach the door. Shop now — link in bio. #purryhome #purryhomeuk #outdoorcollection #outdoorlighting #gardenlighting #interiorinspo

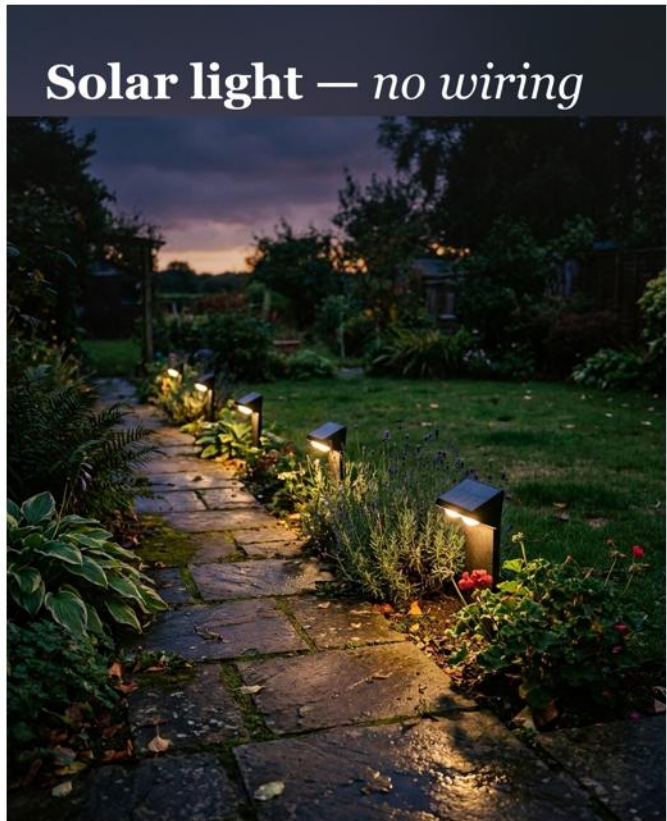

Day 04 Tuesday 09 June 2026

## Solar Pathway Lights

---

PINTEREST • 12:00

INSTAGRAM • 19:00

---

**Link** <https://purryhome.com/products/contemporary-solar-pathway-light>

**Pinterest** **Solar pathway lights — warm light, no wiring**

Contemporary solar pathway lights that charge by day and glow warm 2700K by night — no cables, no switches. Press them into the border and the path lights itself. Shop now → [#purryhome](#) [#outdoorcollection](#)

**Instagram** The easiest light in the garden. These solar pathway lights charge all day and glow softly all evening — no wiring, no fuss, just a warm line along the path. Shop now — link in bio. [#purryhome](#) [#purryhomeuk](#) [#outdoorcollection](#) [#outdoorlighting](#) [#gardenlighting](#) [#interiorinspo](#)

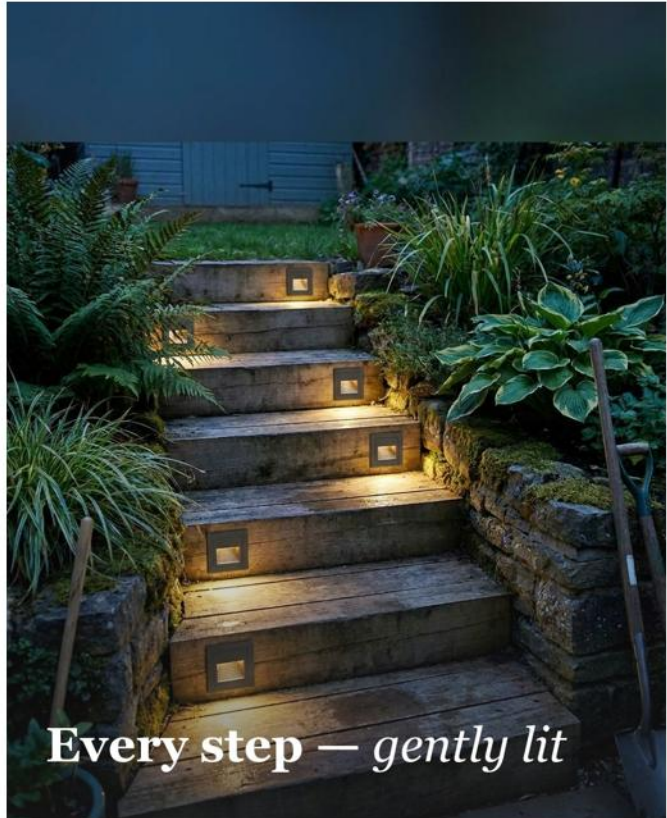

Day 05      Wednesday 10 June 2026

## Deck & Step Lights

---

PINTEREST • 12:00

INSTAGRAM • 19:00

---

**Link**      <https://purryhome.com/products/modern-led-deck-step-light>

**Pinterest** **LED deck & step lights — every step gently lit**

Recessed LED step lights that wash a soft warm 2700K glow across each tread. Safer steps after dark, and a quietly beautiful one too. Shop now → #purryhome #outdoorcollection

**Instagram** The detail that makes a garden feel finished. Warm LED step lights tucked into the treads — so the steps are safe after dark, and lovely to look at. Shop now — link in bio. #purryhome #purryhomeuk #outdoorcollection #outdoorlighting #gardenlighting #interiorinspo

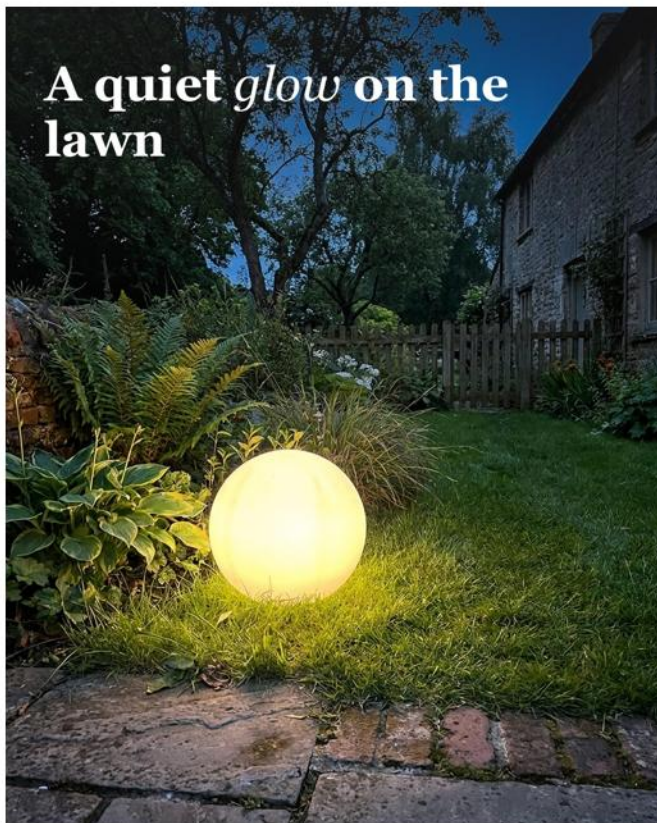

Day 06      Thursday 11 June 2026

## Spherical Garden Light

---

PINTEREST • 12:00

INSTAGRAM • 19:00

---

**Link**      <https://purryhome.com/products/modern-spherical-led-garden-light>

**Pinterest**   **Spherical LED garden light — a quiet glow on the lawn**

A soft glowing orb that sits among the planting or on the lawn, giving a warm 2700K light that feels more like moonlight than a lamp. Weatherproof, sculptural, calm. Shop now → #purryhome #outdoorcollection

**Instagram** Less a light, more a mood. A glowing sphere resting in the border turns a corner of the garden into something quiet and a little magical after dark. Shop now — link in bio. #purryhome #purryhomeuk #outdoorcollection #outdoorlighting #gardenlighting #interiorinspo

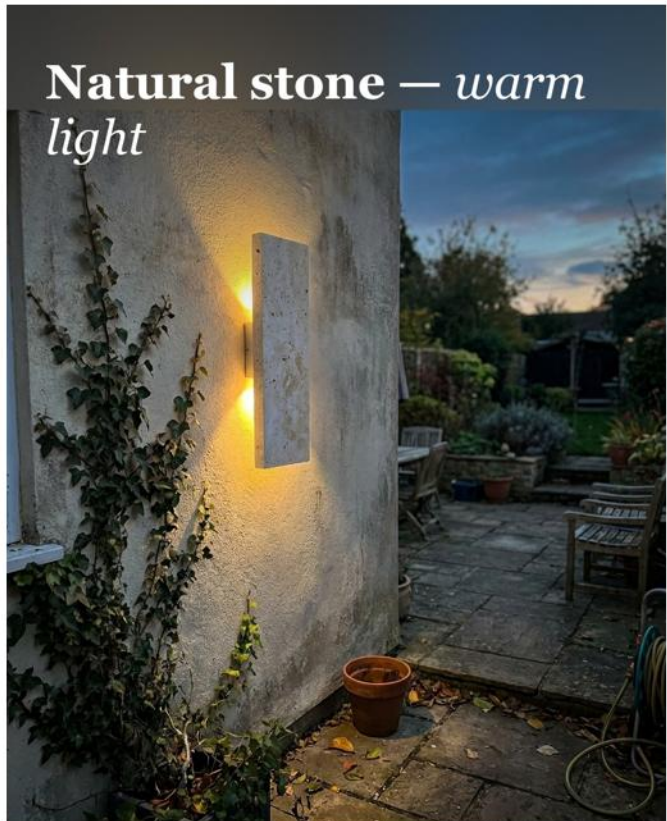

**Day 07**      **Friday 12 June 2026**

# Natural Stone Wall Light

---

**PINTEREST** • 12:00

**INSTAGRAM** • 19:00

---

**Link**      <https://purryhome.com/products/natural-stone-led-outdoor-wall-light>

**Pinterest** **Natural stone outdoor wall light — warm light, real texture**

An outdoor wall light wrapped in natural stone, throwing a warm 2700K wash up and down a textured wall. Weatherproof, tactile, made to weather beautifully. Shop now → #purryhome #outdoorcollection

**Instagram** Light that belongs to the wall. This natural-stone outdoor light washes warm up and down, picking out every bit of texture — understated by day, lovely once it glows. Shop now — link in bio. #purryhome #purryhomeuk #outdoorcollection #outdoorlighting #gardenlighting #interiorinspo

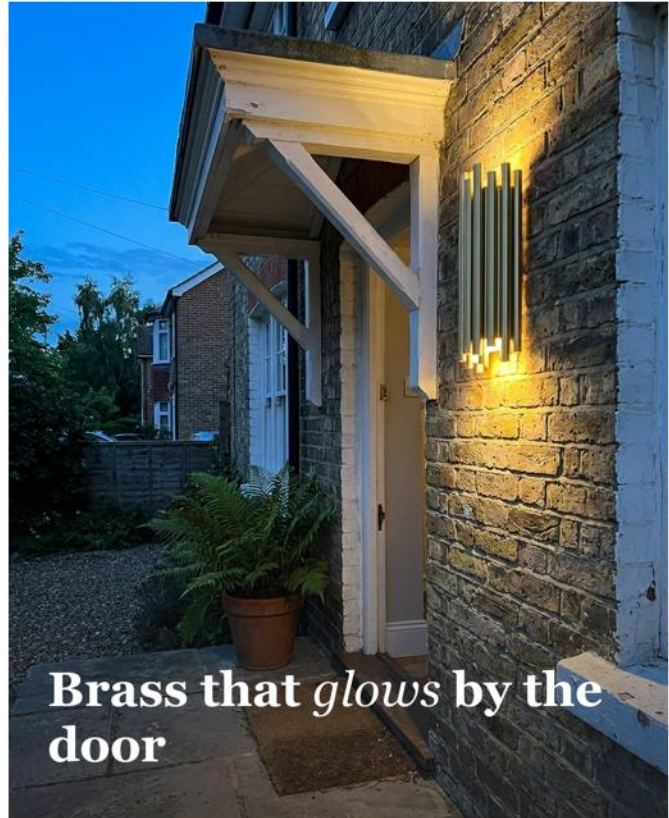

Day 08      Saturday 13 June 2026

## Brass Tube Wall Light

---

PINTEREST • 12:00

INSTAGRAM • 19:00

---

**Link**      <https://purryhome.com/products/modern-brass-tube-wall-light>

**Pinterest** **Brass tube wall light — a warm glow by the porch**

A slim brass tube wall light that warms a porch or entryway with a soft 2700K glow. The brass deepens with time, so it only looks better. Shop now → #purryhome #outdoorcollection

**Instagram** Brass and warm light were made for each other. A slim tube sconce by the porch gives a soft, golden glow — the kind of small detail that makes an entrance feel considered. Shop now — link in bio. #purryhome #purryhomeuk #outdoorcollection #outdoorlighting #gardenlighting #interiorinspo

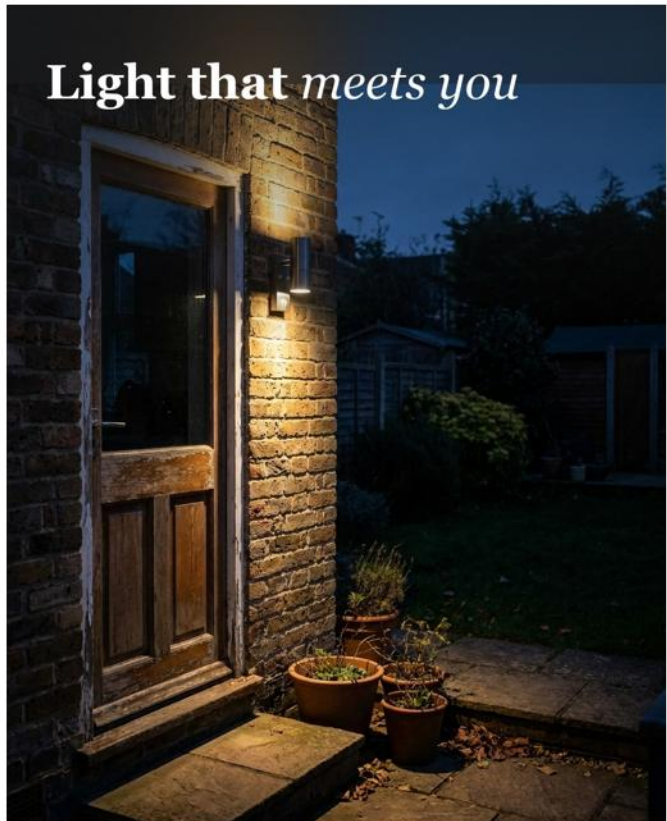

Day 09      Sunday 14 June 2026

**Pinterest** **Industrial outdoor wall lamp — ribbed glass, warm glow**

An industrial outdoor wall lamp with ribbed glass that scatters a warm 2700K glow beautifully. Nautical-tough, weatherproof, and full of character. Shop now → [#purryhome](#)  
[#outdoorcollection](#)

**Instagram** Ribbed glass and warm light do something lovely together. This industrial wall lamp scatters a soft golden glow by the door — rugged, characterful, built for the weather. Shop now — link in bio. [#purryhome](#) [#purryhomeuk](#) [#outdoorcollection](#) [#outdoorlighting](#) [#gardenlighting](#) [#interiorinspo](#)

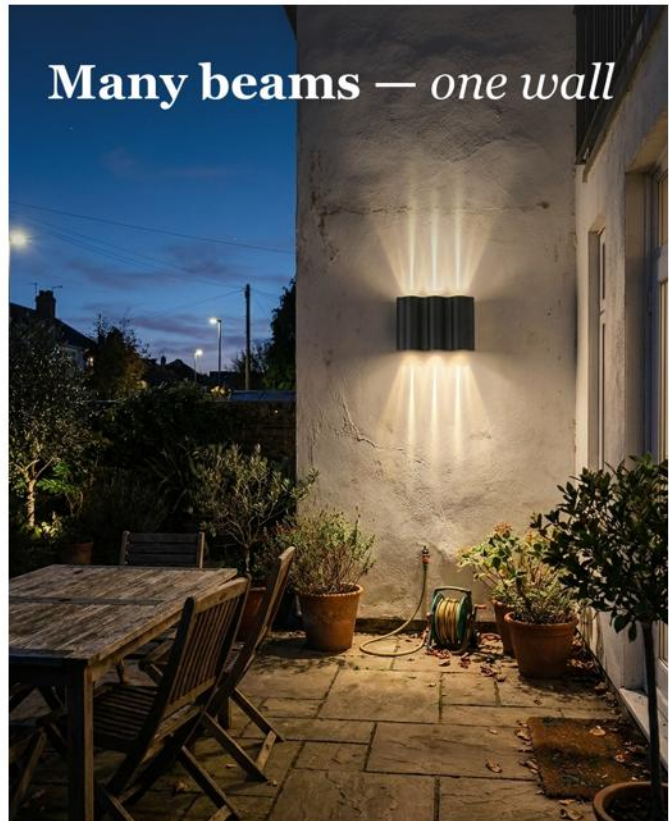

Day 13      Thursday 18 June 2026

## Multi-Head Wall Light

---

PINTEREST • 12:00

INSTAGRAM • 19:00

---

**Link**      <https://purryhome.com/products/modern-multi-head-outdoor-wall-light>

**Pinterest** **Multi-head outdoor wall light — warm beams across the wall**

A sculptural multi-head wall light that sends several soft warm 2700K beams across an exterior wall. A real feature piece for a modern garden. Shop now → #purryhome #outdoorcollection

**Instagram** A little drama, done warmly. This multi-head wall light fans several soft beams across the wall — a sculptural feature by day, a warm wash of light by night. Shop now — link in bio. #purryhome #purryhomeuk #outdoorcollection #outdoorlighting #gardenlighting #interiorinspo

Day 14      Friday 19 June 2026
